

ECO4 & The Great British Insulation Scheme Pre-existing loft insulation declaration v2

Installer Declaration¹

To the best of my knowledge (please tick to confirm):

- I can confirm that I did not personally extract and am not aware of any extraction of loft insulation in the property prior to the assessment.²
- The loft measure installed in this premises is topping up already existing loft insulation to levels set by current building standards.

Name of installer (PRINT):	
Name of organisation:	
Installer signature:	
Date:	

Occupier/Landlord Declaration

This may also be completed by the landlord's authorised property management agent or an authorised signatory on behalf of the occupier*.

To the best of my knowledge (please tick boxes below to confirm):

- No loft insulation has been removed since owning and / or occupying the property.
- *If you have completed section B on behalf of the occupier/landlord, tick this box to confirm that you are not the installer, energy supplier or any other party in the supply chain responsible for this measure.

1 st line of address and postcode:		
Occupier / landlord name and signature (PRINT):		
Date		

All signatures need to be signed by the person in question (electronically or otherwise) and not copy and pasted.

¹ If this declaration is found to be inaccurate or is not present in the loft at installation, Ofgem reserves the right to revoke savings attributed to the measure.

² This does not include extraction of faulty insulation carried out as part of the ECO project in accordance with Chapter 5 in the ECO4 Guidance: Delivery, subsection "Extraction of pre-existing insulation" or as part of the Great British Insulation Scheme project in accordance with the Great British Insulation Scheme Guidance: Delivery.
